REQUIREMENTS FOR A HISTORY MAJOR WITH AN OPTION IN THE HISTORY OF SCIENCE/TECHNOLOGY/ THE ENVIRONMENT:

1. Minimum of 120 semester hours.

2. Minimum of 39 hours in history (maximum of 50 hours). No more than 9 hours of these 39 may be at the 1000-level; and no 1000-level courses may count toward the major if taken after completion of 90 hours.

3. Completion of at least 8 courses at the 2000 or 3000 level. Of these 8 courses, 1 must be Hist 2004; 2 courses must be from Group III; 2 courses from 2 other groups (I, II, or IV); and 1 course from the remaining group. See the Information Sheet for History Majors for a list of the courses in Groups I, II, III, and IV.

Hist 2004 (WI) ____________________________________________

Hist Group I (United States) ________________________________

Hist Group II (Europe) ______________________________________

Hist Group III (Asia, Latin America, Middle East, Russia, Africa) __________

Hist Group IV (Science & technology) __________________________

History electives (12 hours) __________________________________

4. Complete 1 course at the 4000-level other than 4964, 4974, 4984, or 4994 (Prerequisite: 2004 and 3 other hours of history; junior standing or above).  

5. Completion of at least 12 hours of courses approved for the option; courses taken to meet this requirement may also count toward meeting requirement three. (see other side for a list of approved courses)

6. Completion of 6 hours of Undergraduate Research (4994) leading to the completion of a 25-50 page thesis on a topic appropriate to this option.

7. Grade of B or better in HIST 2004 and in-major GPA of 3.0 or better.

PROGRESS TOWARD DEGREE:

The University requires every department to establish benchmarks by which their majors can demonstrate that they are making satisfactory progress toward a degree. In the case of this option these benchmarks are:

• Completion of 15 hours of history, including History 2004 with a grade of B or better, by the semester in which you have attempted 72 hours; and
• A GPA of 3.0 or above in all history courses by the semester in which you have attempted 96 hours.
• Completion of University and College Core Curricula by the end of the junior year.

Failure to make satisfactory progress toward a degree can result in a student’s being blocked from continuing in the option.
APPROVED COURSES FOR THE OPTION IN THE HISTORY OF SCIENCE/TECHNOLOGY/ THE ENVIRONMENT:

1224 - Introduction to Latin America  
2054 - Engineering Cultures  
3124 - History of American Agriculture  
3144 - American Environmental History  
3705, 3706 - History of Science
